A Poem For Mom

February 24, 2020

She's in the sun, the wind, the rain.

She's in the air you breathe,
with every breath you take.

She sings a song of hope and cheer,
there's no more pain,
no more fear.

You'll see her in the clouds above,
hear her whisper words of love.

We'll be together before long,
until then enjoy every blossom,
and listen for her song.

We love you Mom

and Dad,
Grandma & Grandpa,
Aunt Winnie & Uncle Al,
Aunt Flora & Uncle Geoff,
Aunt Edie & Uncle Bert,

and Ron.

Condolences may be offered to the family below.
