David Michael Chupick

It is with heavy hearts that we announce the unexpected passing of our loving and devoted husband, Dad, Grampie and brother– David Michael Chupick, June 21, 2023, in Victoria, BC.

Survived by his love of 45 years, Sally Chupick. Cherished by his daughters and their families Holly and Jeff; Rachel and Matt, grandchildren Ella and Luke; Jane and Dave and his seven siblings and their families. Eldest son of Juliana and Michael Chupick.

We are finding comfort in the outpouring of love and memories shared by family, friends and colleagues of Dave's from around the world.

A skilled craftsman in many trades who found joy and pride in his work and helping others.

David was a highly respected and decorated army veteran, serving 28 years in the Canadian Armed Forces before retiring from the military and working with Calian until final retirement in September 2022.

Remembered by those who loved him as loyal, generous, approachable, with a quiet and calm demeanor, and with high moral standards.

We are sad, and we will all mourn this wonderful man, but we will always smile when we
think of him.

A Celebration of Life will be held on Saturday, July 22, 2023, from 2-4pm in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, Victoria BC.
