Donald Francis McQuay, P.Ag., P.Geo.

On January 5th, 1944 Donald Francis McQuay was born in Glasgow, Scotland during an air raid and came to Canada a few months later. Growing up on the family farm in Whitby, ON, he learned the value of hard work and dedication. He went on to have a successful career as a Principal, Senior Environmental Geologist with Gartner Lee Ltd. and later AECOM Ltd., where he was highly respected and admired by his colleagues and clients.

He was the beloved husband of Jann for 53 years and the best dad to his two sons Michael (Vanessa) in Victoria, BC and Darren (Carolanne) in Saskatoon, SK. Don cherished his 12 grandchildren (Meghan, Grant, Allison, Natalie, Grace, Nathan, Katie, Robert, Adelaide, Ivy, Lily and Fern). He was the caring brother of Robert, Mary Ellen, Sean, and Nancy.

Don will be remembered for his kind heart, his unwavering commitment to his family, and his passion for his work. He had a zen approach to life, gardening, woodworking and taking care of his treasured ‘88 Chev Caprice.

On April 13, 2023 Don passed away in Victoria, BC. His presence will be greatly missed by all who knew him.

A Memorial service was held on Saturday, May 13, 2023, at 3:00pm in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, Victoria, BC. Heartfelt thanks to the wonderful staff at Saanich Peninsula Hospital for their most compassionate care. In lieu of flowers, donations to the hospital in Don’s memory would be appreciated.
