May Hok Jang

It is with great sadness that we announce May Hok Jang, aged 65, has passed away on April 29, 2021.

May was born on November 25, 1955 in Hong Kong. She moved to Canada in 1974 to start a new journey in her life, where she would live in Duncan for 16 years, later moving to Chemainus and then to Victoria to be near her children.

She was very strong and independent, never afraid to take on new experiences. She opened many businesses on her own, without the knowledge or experience but was always willing to learn. We are very proud of her strength and courageousness. Cooking was one of her passions. She loved to cook, collecting many cookbooks to build her personal recipes. She also loved to travel, especially flying back to Hong Kong to visit her family.

May was a kind, thoughtful, and loving soul. She will be greatly missed and will forever be in our hearts. May’s final resting place is at the Mausoleum in the Royal Oak Burial Park.

Condolences may be offered to the family below.
