(Michael) Mitch Loreth

(Michael) Mitch Loreth passed away September 11, 2022, at Royal Jubilee Hospice, with family present and close by. He defied almost a lifetime of liver disease; yet we are so sad to part with him this soon. He loved his family deeply and boasted about us often. Mitch was a thoughtful man, a kind soul. He was a confidant to many, and always took time to chat or reach out to those dear to him and others less fortunate. He offered compassion, humour, integrity, and wisdom. In his work life, he was dedicated to the community living movement. He was a gifted speaker and educator and with his passion could hold the attention of a full lecture hall. He had an excellent memory for facts, and he loved his music, knew all the lyrics. He had a flare for drawing, design, and architecture.

Mitch was born in Vancouver on November 8, 1949, to Ann and Arnold Loreth. He leaves behind his wife Judy of 47 years together, daughter Chelsea, and sons Tyson (Julia), Joey (Crystal), and his four beautiful grandchildren, Kate, Luke, Madison, Cooper; as well as brother Joel (Liz, Patricia, Christopher), and sister-brother-in-law Jill, Byron (Michael) and his extended family. He was a great friend, and loved his besties, you know who you are! Mitch celebrated life, he was an outside man – loved the beach, skiing, soccer, watching his Raiders, fishing, horses, travel, adventures, yard work, fixing things, and cleaning things, especially the kitchen at days end! But most of all, he celebrated and was present for us, his cherished wife, family, and friends.

Our family sends much thanks to his Doctors who took such dedicated care of Mitch. Donations to Inspire Health would be appreciated. https://inspirehealth.ca/donate/

Condolences may be offered to the family below.
