Timothy George Hogue

We are sad to announce the unexpected death of our beloved husband, father, brother, Pépé and friend who passed away at age 69 on April 12, 2023. Tim was a much loved, kind, and thoughtful man who loved fully and greatly, he left an imprint on the hearts of those that knew him.

They all say, “I’m sorry for your loss” as if you could be taken from me. It is as the saying goes; It isn’t what we leave behind, it’s what we leave in people’s hearts that count, and Tim left us all with his passion for the beauty in all of nature as he created his exceptional paintings and his one of a kind wild life photography.

Tim held many titles in his life beyond already previously mentioned; Son, Husband, Father, Fishing Guide, gardener, Jack of all trades, musician, golfer, a generous host and culinary artist. a trusted confidante to those of us who knew and valued his steadfast loyalty and good sense.

But most of all, he loved nothing more than spending time with his family and friends, cooking beautiful meals, lending a hand wherever he could.

Tim’s sons; Ryan, Shane, Chris, and Jordan all share an unbreakable and loving bond as he was their number one fan.
He was teaching his grandchildren how to fish and how to cook. As well, how to respect the earth and its animals, a loving and gentle Pépé

He was predeceased by his parents; George and Nita Hogue of Ontario. Left to mourn, his wife Sue, sons; Ryan (Estelle), Shane, (grandson Caden), Chris (Michelle) and grandson’s Nixon and Emmett, Jordan (Michelle) grandchildren Harlow and Asher.
Lovingly remembered by his siblings; Michelle (Norm), Judy (Nerio), Gary (Linda), Noella (Larry), Rose Marie (Stan) and Terry.

Tim also leaves behind his father-in-law, Dave (Julie) and sisters-in-law; Michele (Frank), Sharon (Dave).

Forever in our hearts, never to be forgotten.

Condolences may be offered to the family below.
