Alice worked at Aaron's Pharmacy for some years before joining Yorkshire Trust on her graduation, where she remained for more than thirty years, eventually retiring after it became Central Guaranty, after that she continued to work in the income tax preparation business until 2005. She leaves to mourn her those who knew and loved her, brothers, Bob and Dick Chester; nieces, Leslie and Candice; nephew Tim; god children, Ken and Kathy Beattie; childhood friends, Lou Stacey, Mary Duggan and travelling buddy and friend of many years, Peggy Conrad; dear friend of her youth, Diane Beattie, having predeceased her. Cherished and remembered by all especially the
