Annie Alejandro

It is with great sadness that we announce the passing of Anna-Maria whom we fondly call Annie. She will be deeply missed by her loving and devoted husband David, her cherished siblings Grace (Terry), Joey (Cris), Reggie, Romy, Tony (Jo-an predeceased), beloved Christian (nephew), CJ (niece) and Cedric (nephew).

Annie graduated with honours from The Michener Institute in Toronto, Canada. She spent most of her professional career as a medical technologist in Microbiology at LifeLabs where she was truly happy with, and grateful to her wonderful colleagues.

Annie's deep devotion and faith to her Lord and Saviour Jesus Christ were a constant source of love, comfort and strength, especially during her courageous battle with cancer.

Annie was a ray of sunshine to everyone she met. Her infectious laughter was a joy to hear. Her pragmatic approach to life was inspiring, and her remarkable ability to quickly solve word puzzles was impressive. Her vast wealth of information makes her a valuable resource which she was privileged to share with others.

Annie's passing leaves a tremendous void in the lives of not just her family but also her extended family circle (uncles and aunts, cousins, nephews and nieces), her special and dear friends, neighbours, and colleagues and her Christian brethren. She will be deeply missed by all who knew her.

Annie and her family are grateful to the Royal Jubilee Hospital – the Palliative Care Unit and the Victoria Hospice health care teams for their compassion, dedication, and professionalism.

Those who wish to offer condolences or share memories with her

family may do so online at McCall Gardens Funeral & Cremation Service – mccallgardens.com where loved ones from near and far can come together to celebrate her life.
