

Ashley Danielle de Bruyn

April 5, 1990 – December 18, 2014

We are shocked and devastated to announce the unexpected passing of our beautiful and extraordinary daughter; Ashley, at the age of 24.

Ashley will forever be lovingly remembered and endlessly missed by her parents Brigette & Michael Henning, brothers Caleb & Jesse, sisters Angelica, Brittany, & Celine. Grandparents Bonnie (Frank) Donnelly, Bill (Neva) de Bruyn, Valarie (Camille) Turgeon. Gigi Helen Bowden, Uncle Ski, her loving boyfriend Dave, fur babies Poncho & Rampage, and many aunts, uncles, nieces, nephews, extended family and many, many friends.

Ashley followed her dreams and achieved a double degree in Criminal Justice and Psychology. We were all so proud when she graduated with honors. She will always be remembered for her infectious laughter, amazing sense of style, endless concern for others, and her beautifully stunning smile.

Ashley was born and raised in Victoria and will be deeply missed by all that had the pleasure of knowing her. "You will always live on through the fond memories of all your friends and family. We are all so blessed to have had the time we did with you."

In lieu of flowers, donations can be made to the SPCA.

A Celebration of Ashley's Life will be held at McCall's Floral Chapel, Johnson at Vancouver Streets on Monday, December 29, 2014 at 1:00 pm.

Condolences may be offered to the family below.
