

Barbara J. Sloan

Barbara passed away on May 6, 2017. In true Bari fashion, she insisted that her age not be revealed! She was a graduate of St. Margaret's School, Victoria College, and the University of British Columbia. Predeceased by her brothers William McDougall Sloan and the Honourable Gordon McGregor Sloan, Bari leaves her children Mark (Jane), Cathy (Charlie), Gregory (Frances) and her grandchildren Lorraine (Jordan) and Jenny (Jordan), Matthew, and Greg (Elizabeth).

After a career in social work, Bari was a student of Ikebana for many years and pursued a keen interest in sports cars (including, to name but a few, a Morgan +8, an Alfa Romeo Spider, and her trademark Fiat convertible). Her enjoyment of cars was surpassed only by her fondness for her feline companions. Her joie de vivre and inimitable style will long be remembered. As Bari always did enjoy a soirée, please join us in raising a glass to her.

Many thanks to the staff of Dogwood 1 at Oak Bay Lodge. No service by request.

Condolences may be offered to the family below.
