Barry, a true gentleman,a man of his word and was greatly admired for his character, integrity, humility, unwavering moral standards, and above all true love of his wife, Edna. It was during his service in Saskatoon where he met

Edna and they remained friends for over 30 years. It was in 2008 where his joy for life was renewed. Barry moved to Victoria, BC to take up a new life with Edna where they were married on Edna's birthday August 12, 2011. They shared more faith, adventures, experiences, laughter and love than most people share in a lifetime. They truly enjoyed the best years of their lives cruising, dancing and travelling to

over 40 countries and spending winter months in AZ, CA .He is saddened to leave behind, the love of his life, best friend and wife of 9 years. He was most grateful each and every day that he was blessed with love, support and faith.

Barry never met a stranger. He could strike a conversation with anyone and share laughter. He never missed an opportunity to gather with colleagues/friends when returning to Ottawa for visits. He spent his entire life being himself and anyone would be grateful to have a friend like him.

Barry left this world with nothing unsaid and knowing that he lived an exciting life, full of adventure and love, a life truly blessed by the Grace of God. He often said we should be as lucky and as fortunate as he.

Barry wishes to thank family, co-workers and friends for the many meaningful tributes paid during his illness. One common thread in these tributes, his apparent love for Edna and the happiness she brought to his life. Our thanks to Dr. Franco and his cardiac team for giving Barry and I more time to enjoy. Thank you also to Dr. J. Aiken, all hospice and BC Cancer Agency nurses and doctors, Saanich Community Nurses and staff. Thank you.

He prays everyone will remember him as an honest, fun loving man. Until we meet again, may God bless you and hold you in His hands and comfort you with memories of love, laughter and fun shared.
