Bertha Pauline Mar

It is with sadness we announce our Mom’s passing on January 12, 2023.

She married the love of her life, Quinton, in 1959 who preceded her in death in 2007. Mom will be missed by her proud sons Wesley (Kimberly), Warren (Dale), and grandchildren Olivia, William and Leah. Sisters Florence, Valerie, and Maureen and many cousins, nieces and nephews will also miss her. Mom joins her big sister, Lennie, in Heaven.

Family and dear friends were Mom’s greatest treasures in life and known by all who knew her.

We wish to thank all who visited Mom during these last years and her Thursday morning coffee group for their friendship. Mom’s family physician Dr. Chow, and the staff at Royal Jubilee Hospital deserve our recognition and appreciation for her care and making her comfortable in the final days.

Condolences may be offered to the family below.
