

Betty Elizabeth Anderson

It is with extreme sadness we announce the passing of our beloved mom and grandmother, Betty Elizabeth Anderson (nee Tunnickliffe). Betty saw the world through the eyes of wonder and curiosity. She was a talented visual artist, seamstress and singer. She inspired, supported, and loved us and had an inner strength that never left her. We will think of her every time we see a thing of beauty and we'll miss her deeply.

There will be no funeral as per mom's request.

Condolences may be offered to the family below.
