

Brian Harold Gray

April 22, 1944–January 23, 2013 After a brief hospitalization, Brian passed away peacefully with his wife of 47 years holding his hand. He spent his final days enjoying the company of his wife, children, and granddaughter.

Brian leaves behind his wife, Roberta. He will be missed by his children Mike and Stephanie (Brad), and grandchildren Trinity and Atticus Orion. Brian is also survived by his brother, Wayne (Joan). Brian was preceded in death by his parents and his sister.

After a long and distinguished career at TELUS (formerly BC Tel), Brian retired in 2002. He then spent his days relaxing on his back porch knowing that he lived in the most beautiful part of the world. He lived his entire life in Victoria and had no interest in going elsewhere. He followed politics closely and spoke knowledgeably of current events until his last day. His favourite activity was walking his very best friend, Harley, in Victoria's many parks. Harley died less than one week before Brian; neither could have lived without the other. Sincerest thanks to the nurses, doctors, and staff at the Royal Jubilee Hospital (Surgical 7N ward) for their compassion and the excellent care they provided to keep Brian comfortable and happy in his final days. In lieu of flowers, please make a donation to the Victoria Hospitals Foundation at 1952 Bay Street, Victoria BC, V8R 1J8.

A Graveside Service will be held at 1:00pm on Friday, February 1, 2013, at Royal Oak Burial Park. Plans for a celebration of Brian's life will be announced at a later date. Please see <https://www.mccallgardens.com/obituaries/> for more information.
