Christopher Robert Loomer

With profound sadness, we announce the sudden passing of Christopher R. Loomer, MD, in Victoria BC, Canada on July 15, 2022, at the age of 74.

Chris was born in Saint John, NB on January 9, 1948, the only son of the late H. Avard Loomer and Irene S. Currie. He is survived by his loving wife of 50 years, Mary Loomer (née Martell), and their four children: Geoffrey (Lindsay), Robert (Erin), Karen (James), and Andrew (Courtney). Chris also leaves behind seven grandchildren: Nathaniel and Samuel Loomer, Isla and Sebastian Loomer, Luke and Elena Fraser, and Jensen Loomer. He will be missed by many relatives and friends.

Chris graduated from Saint John High School, going on to Dalhousie University for his BSc, followed by his MD in 1974. He practiced family medicine in Saint John for 8 years before returning to Dalhousie University to study Ophthalmology. The family relocated to Victoria BC in 1988 where Chris practiced Ophthalmology until 2001. He returned to Saint John and continued to practice until illness forced his retirement in 2005.

Despite health challenges, Chris always kept a positive outlook for the future. He enjoyed following professional golf, watching Green Bay Packers football, keeping his car meticulously clean, and joking with family and friends. He loved visits to Disney World and going on an occasional cruise. His most cherished times were spent with Mary, his children, and his grandchildren.

A Graveside Service will be held on Monday, July 25 at 11:00 am at Royal Oak Burial Park, 4665 Falaise Drive, Victoria BC., V8Y 1B4

In lieu of flowers, donations may be made to the Vasculitis

Foundation Canada or a charity of one’s choice.
