Dana Margaret Frazer

With sad hearts the family announces the passing of Dana at home with her parents, sister, brother-in-law, good friend Shea and her beloved Cali at her side.

Dana spent most of her life in Victoria. She was an avid sports enthusiast, excelling in sports at Mt. Doug High School, playing soccer and softball. She enjoyed work as an LPN, especially with the elderly. Dana loved the outdoors – camping, hiking and walking at Thetis Lake with her beloved dog. She was a barrel of fun and game for any adventure.

She leaves behind her parents, Garry and Kerry (Langtry) Frazer; sister, Erin Galley (Marty – Patrick); brothers, Stuart (Gena – Claire, Iain), Donald, extended family, friends and her new found family.

A drop-in open house will be held at the family home, 4042 Livingstone Avenue N. on Sunday, November 7, 2021 from 1:00 pm – 4:00 pm. Thank you to all our family, friends, and Victoria Hospice who have been so thoughtful and caring to us.

Condolences may be offered to the family below.
