

Daniel John McVie

Danny passed away peacefully at his home on February 1, 2022. He is survived by his sister, Angela, brother-in-law, James, and nephews, Stephen and David. A quiet, mild-mannered guy, Danny will be greatly missed by his family and many friends. Danny was a skilled carpenter, known for his meticulous work. His pride in his work showed in the clinker-built rowboat he lovingly restored and maintained. Danny enjoyed rowing it on the Gorge waterway, and often went as far as the Inner Harbour. Danny loved classic wooden boats, a passion he shared with his father, Richard (Rick), who passed away in 2017. Danny is also predeceased by his mother, Margaret (2004), and his brother, Roy (2020).
