

Daniel Thorpe Chisholm

February 21, 1950 – June 20, 2015

Dan was born and raised in Calgary, where he met and married his high school sweetheart and best friend, Shannon in 1970. They have been blessed with two wonderful children, Jenny and Jim, son-in-law, Stuart Leckie and two beautiful grandchildren, Sadie and Rory. He leaves behind his dear sisters, Janeen Van Orman and Elizabeth Goertz and his close cousin Rick Thorpe. After graduating from the U of C as a chemical engineer, he went on to have a long and rewarding career in the oil and gas industry, the majority of which he spent self-employed. During his career and life, Dan made many long and enduring friendships. Their unerring support and the support of his extended family this past while meant a great deal to him and his family. Dan was a humble man of few personal wants, a man who appreciated and was grateful for each and every day and a man who considered himself lucky his entire life. We will miss his smile.

At his personal request, there will be no formal funeral service. A small, private family Celebration of Life will be held at a later date.

Condolences may be offered to the family below.
