

David Raymond Buchanan

It is with deep sadness that we announce David's sudden death in Victoria, BC on June 2, 2022. A partner to Judy for 57 years, a brother to Christine; a father to Jennifer (Doug) and Sara (Colin); a grandfather/PaPa to Austen, Luc, Lauren, Halle and Jesse; and a friend to many.

David had a boundless curiosity and a genuine interest in other people. All who knew him will agree that he could converse with anyone about almost anything. In addition to his lifelong career as a social worker, he had abiding passions for interior design, his many gardens, and being physically active until the very end of his life.

David left this world on his own terms, as he repeatedly said he would in the face of declining overall well-being, just before his 80th birthday. The family is confident, that at last, he has found inner peace.

Condolences may be offered to the family below.
