

Diana Francis Stefaniec (nee Nolan)

It is with great sadness that we announce the passing of Diana to Pancreatic Cancer. Predeceased by her husband Dave, who was the love of her life. She is survived by her children, Evan whose love and devotion carried her through some very tough times and daughter Justine (Roy). Some of Diana's greatest joys was her dog, Jasper, who made her life brighter. She worked for 35 years at Paul's Motor Inn where Diana's co-workers and customers became her good life long friends.

Her smile was infectious and she was always happy to see everyone. Diana also enjoyed the many years she spent with family and friends at her cabins at Canoe Bay and later Maude Bay in Powell River.

The family is very grateful to all her friends who sent well wishes and took the time to visit with her. She loved those visits. Diana's legacy will forever be that in her time of need she brought our family together.

We have arranged Diana's Celebration of Life for Saturday September 25 from 2-5pm. If you would like further information please email me at mshigeoka@hotmail.com. Thank you all for being a part of our sisters life and for your kind words.

In lieu of flowers please consider making a donation to the BC Cancer Society <http://www.bccancer.bc.ca/donate>
