

Diane Margaret Morris

August 12, 1954 – September 12, 2013

“It is only with the heart that one can see right – what is essential is invisible to the eye.”

Cherished mother, devoted grandmother, treasured sister and loving friend. On September 12, 2013, Diane Morris bravely took her place among the angels as she lay in the arms of her daughters, Natalie, Patricia and Dominique. Shortly after the tragic loss of her beloved husband, Don Stillman in July 2012, Diane courageously began her 9-month battle with cancer. Even through this difficult time, Diane continued to touch the lives of all who knew her with her selfless love, positive energy and shining spirit. Diane's five precious grandchildren, Tylan, Taylor, Zachary, Louisa and Brixton will always remember her dancing and singing, her warm generous hugs and her gentle loving guidance. Born and raised in Victoria with her seven brothers and sisters, her journey led her to Sooke, BC where she and Don built their dream home. Her friends and neighbors will always remember her smiling face as she waved to them while tenderly caring for her cherished garden. Diane worked for over 35 years at Victoria General and most recently, Jubilee hospital. She took great pride in her career and saw each day as a chance to make a difference and serve her community alongside her close friends and co-workers. The family would like to dearly thank all of the staff and volunteers at the Vancouver Island Cancer Centre and the nurses, caregivers and counsellors at Victoria Hospice for your care and support throughout this difficult time. Donations to either of these societies would be gratefully accepted on Diane's behalf.

A celebration of life will be held on Sunday, September 29, at 12:00 pm at the Royal Colwood Golf Course. Condolences may be offered to the family below.
