

Donal (Rob) Wright

It is with great sadness that we advise that Donal (Rob) Wright passed away after a short and spirited battle with cancer. With the assistance of MAID, he chose to leave this life with peace and dignity in his own unique way.

Rob was born in Montreal, Quebec, the only son of Donal Richard Wright and Diana (Cuffe), brother of Teresa Wright.

Rob is survived by his loving wife of 31 years, Leta (Hignell) Wright and his children, Glory (Greg Armstrong) of Seattle and Wolfe of Ottawa as well his beloved granddaughter, Aurora.

He was a man of many talents and interests. His passions were wood working where he spent hours building furniture and renovating the many homes that they purchased over the years. He also loved to cook and create wonderful meals for his family and friends. His blindfold dinners were the best!

He had many careers over the years but his years as a flight instructor gave him his greatest joy and sense of pride. He was also a part time scuba instructor.

He loved to be active and enjoyed cycling, long walks, scuba diving in tropical locations and golf.

His family would like to thanks the many nurses and doctors at the BC Cancer Clinic and Royal Jubilee Hospital, who were amazing, and helped him during his battle. A special thanks to Dr. Aiken, Dr. Griffiths, Dr. Genge, as well as Dr. Mueller and the Palliative Care team of Victoria Hospice. The four best doctors in the world!

In lieu of flowers, a donation to BC Cancer, [Victoria Hospice](#) or the [Aplastic Anemia and Myelodysplasia Association of Canada](#) would be appreciated.

As per Rob's request, there will be no funeral. A Celebration of Life will be held at a future date.

Condolences may be offered to the family below.
