

Doreen Janet Renton

Peacefully on May 17, 2021 Aunt Doreen went to be with our Lord. Predeceased by her two brothers, Syd and Doug, she leaves behind eight nieces and nephews, who have fond memories of times spent visiting with her on Vancouver Island.

Doreen lived an admirably productive life. Born in Churnside, Scotland on January 21, 1928, she and her family immigrated to Canada in 1929. Doreen grew up on the prairies, and later came with her mother to Vancouver Island. She went on to earn her designation as a Certified General Accountant working in the Provincial Government's Comptroller Generals Office, where she proceeded to achieve special commendations for innovative excellence. Doreen travelled extensively in her life, and was an avid fan of the arts, a talented artist herself, she also loved theatre and symphony, and leaves behind good friends who shared her passions.

Sail on to your next adventure lovely lady – we will miss your sense of humour and genteel ways.

Many thanks and accolades to all the staff at Parkwood Court where Doreen lived, and was cared for over the past five years. Nowhere could she have received better or more compassionate care.

Condolences may be offered to the family below.
