

Dorothy Magdalena Todd

Dorothy Schuck was born in Regina on August 20. She preferred not to reveal the year. Soon she was the big sister to Edie and Lawrence, and the young Schuck family moved to Edmonton. In 1951 Dorothy married her Navy sweetheart Alfred Todd and subsequently moved to Victoria. For many years Dorothy worked in medical offices in both Edmonton and Victoria. Back in the day she was a whiz at five-pin bowling. She usually had a good book or crossword puzzle on the go, and loved a night out at a movie, dance or dinner. Once her two children were married she retired from the work force. Mom's great joy and pride came from family and friends. Holidays and birthdays were always reason for a delicious celebration, but a reason wasn't absolute. The point was to enjoy and appreciate life. Shortly after her husband Al passed away in Nov 2010, Dorothy moved from the house they had built and lived in since 1954. Dorothy died peacefully on Sept 10. Her generous, fun, kind, modest, loving spirit will be especially missed by Lorrie and family, David, Dale, Matthew, Kate, Nathan, Elizabeth, Bill, Jackie, and cherished friends Jeanne and Irene. Thank you to the wonderful staff at Central Care Home.

"Wishing you always...love to surround you, good health to renew you, warm memories to uplift you, good fortune to walk beside you and happiness to fill your heart."

A service will be held at St. Patrick's Church, 2060 Haultain, Monday, September 22, 2014 at 12 noon. Condolences may be offered to the family below.
