

Dorothy Margaret (Peggy) Etchell (nee Thompson)

Died gently in Victoria on February 17, 2021. Peggy was born in West Vancouver and lived most of her adult life in Dunbar/Point Grey, moving in 2017 to Victoria to be nearer to family. She is survived by Charlie, her husband of 69 years, their children Charlie Jr. (Marie), Jane (Nigel), and Marianne (Paul) and 6 treasured grandchildren, Adrian, Alex, Alison, Erica, Robbie and Megan and their partners. Peggy was predeceased by her 2 siblings Don Thompson and Joan Rush. Peggy was very engaged in and committed to her community. She was a stalwart of the Jones Girls at St. Philips Anglican Church (Dunbar). The Heather Heritage Society, the VGH Alumnae Association and Camp Artaban also benefitted from her time and energy. Peggy was proud to have been a registered nurse and a member of the VGH Alumnae.

Peggy will be remembered for the very warm welcome she and Charlie showed family, friends, neighbours, colleagues, and grateful strays, to their home, whether for a cup of tea or an extended stay. Peggy delighted in days spent with family – and especially the grandkids – at the family cottage near Sechelt.
