Dr. Lucretia van den Berg

It is with profound sadness that we announce the passing of Dr. Lucretia van den Berg on January 23rd, 2025 at the age of 72. Lucretia was a distinguished and highly regarded physician whose contributions to medicine, the field of endocrinology, and compassionate care touched countless lives. She was born in England in 1952 to South African parents, and moved to Rustenburg S.A., in 1961, where she received her medical education at the University of Pretoria S.A., graduating in 1974. Lucretia immigrated to Canada in 1976, where she pursued a residency in Endocrinology and Metabolism in both Toronto and Edmonton. In 1983, Lucretia established a private Practice in Edmonton specialising in Endocrinology which she later moved to Victoria in 1992. Lucretia is predeceased by her late partner, Dr. Jerry Tenenbaum. She is survived by her son, Tyler Overton-Paszek in Victoria, B.C., her sister, Dawn Rossiter in Cape Town, S.A., and the extended Steenekamp family in South Africa.

There will be a celebration of life in Victoria B.C. in March/April, 2025. For details, please email LVDBestate@icloud.com

Condolences may be offered to the family below.
