

Dr. William “Bill” Thomas Brownlee, PhD

Bill was born in Windthorst, Saskatchewan on March 24, 1932 and on June 12, 2010 he passed away peacefully at home.

Over his 51 years in education, Bill served as a teacher, principal and Superintendent of Schools. He also taught graduate courses in educational administration at four universities – Victoria, Alberta, Saskatchewan and Calgary. And it all began, at age 17, when he took his first teaching position in a one-room school close to his family farm in Manitoba.

His career took him to Manitoba, Alberta, B.C., the Yukon; Germany and St. Lucia. As a lifelong learner, in 1990, he earned a PhD at the University of Alberta.

In 2000, he received an honorary life membership in the Alberta Teachers’ Association, its highest award, for what the ATA described as his tireless energy and enthusiasm for public education.

In 2003 he received the Queen’s Golden Jubilee Medal for his many contributions to education.

As a young man he played semipro baseball in Manitoba and in 2001 he was inducted into the Manitoba Baseball Hall of Fame.

Bill is survived by his loving wife Colleen, constant companion Alpo, brothers Leonard (Shirley), Gerald (Donna) and son Kelly as well as numerous close relatives and friends.

Sincere thanks go to cousin Bruce Paul (Noni, David, Doug) for their constant love and support the past 16 months. Also to Mary and Norm Gidney, the Calgary crew of Purdy, Ross, Craven and Park and longtime friends Bernie and Rose Chandler and Joy

Phillips. Special thanks to Dr. H.P. Marshall and the Palliative Response Teams, home care nurse Linda Pearce and support worker Barb.
