

Duncan James Hugh Pirie

It is with broken hearts we announce that our beloved son, Duncan, passed May 4th, 2022, at the age of 33 on Pender Island, British Columbia. Duncan leaves behind his Mum and Dad (Wendy and Ian), sisters Robyn, Katrine and Fiona and his cousin Jeremy (Lakes-Gardner) who joined the family in 2008 and was considered by Duncan to be his little brother. He was a nephew, cousin, dear friend, and a beautiful soul.

Duncan was born in Richmond, BC and lived in Ladner for five years before moving to Santiago, Chile with his family in 1994. At age 10 his family returned to Canada where he spent the next 12 years in Oakville, Ontario.

He was a delightful child. A curious and inquisitive lad, he was fascinated by nature and creepy crawly things. He marvelled at the slugs on the path after the rain, the business of sow bugs in the compost box and the magic of a spider's web. A kind and gentle boy, he loved animals and wouldn't hurt a fly.

Life in Chile was an adventure. He was great at making friends, loved Boy Scouts, reading books and playing with his sisters. He was a charming boy, learned quickly and thought deeply. He was well regarded by his teachers, friends, and their parents. He was clever, funny and affectionate. He enjoyed many wonderful travels with his family in Chile, Ecuador, Peru, Britain, Australia, Hawaii, the Caribbean, and Canada. Later, in high school, he went on an extensive trip to Europe for a semester with an educational programme which he thoroughly enjoyed.

Duncan grew into a handsome, charismatic young man. He was full of vitality and was part of a great group of friends that he made at Oakville Trafalgar High School. His friends were constantly in and out of our home for fun evenings of board

and video games, and teenage shenanigans. He was a competitive swimmer and an avid soccer player. He even assisted his Dad in coaching his sister's soccer team. Halloween was one of his favourite times of the year and his pumpkin carving skills were second to none. He loved to craft elaborate Warhammer figurines and was a top ranked player of any game he cared to master on line.

Duncan's first job was at Pharma Plus in Oakville. He was only 15 when started so he could earn spending money, but he became a valued employee with great people and problem-solving skills. He showed his entrepreneurial side by selling Cutco knives before starting with a Student Painters business and quickly becoming a site leader. Other summer jobs included bar tending for a catering service and a junior assistant at SNC Lavalin.

At Acadia University in Nova Scotia Duncan was elected his Residence Social Convener and was responsible for a large budget to organize social events for first year students. Duncan was doing well and his future looked bright.

Problems started to surface in his 3rd year and things began to spiral downwards for Duncan as mental illness reared its ugly head. The next decade of Duncan's life was a struggle. He moved to Pender Island in 2012 to be with his parents and seek professional help. Things improved for a while and he worked on Pender as a house painter for a time. He engaged with family and friends more.

As the cascade of ups and downs continued, various medications and various diagnosis were given. Duncan had been looking much better and engaging more in recent months, but missing his medication for a few days resulted in tragic consequences. He ended his life and his torment on May 4th, 2022.

Always our loving and considerate sweet boy, he made sure to let us know that he loved us and the wonderful life he had

had.

For his extended family and friends, he left these words:

Please my friends, know I love you dear

But my world is crumbling

I need out of here.

Know my friends, I love you dear

But I must get out of here.

I'm sorry. I haven't said much.

I'm not sure my mind is sound.

And it would surely break if

I knew I dragged you down.

Know my friends, I love you dear.

But I must get out of here.

His friends and friends of the family are welcome to join us Wednesday, May 18th, 2022 at 2:00 pm for a Funeral service and reception to be held at Holy Cross Church, 4049 Gordon Head Road, Victoria, BC. For those who cannot attend, a link to a livestream will be provided.

In lieu of flowers, donations may be made in his memory to Our Place, 919 Pandora Ave., Victoria, B.C. V8V3P4 (www.ourplacesociety.com/how-you-can-help/donate).

Condolences may be offered to the family below.
