

Edward Arthur (Ted) Parry

Ted passed away in the early morning hours of June 14th – just 15 days short of his 75th birthday. He spent 33 years of his life sailing on the B.C. Ferries. Starting as a server in the restaurant, then as a deck hand, and then as a Second Officer on the bridge.

He also will be remembered for his love of animals – having had many dogs, cats, and birds in his life.

The Ukulele became his musical interest in latter years – he loved his jam sessions with his Ukulele friends. He is survived by his partner of 15 years, Bettye, his sister Louise, and his brother-in-law John.

Condolences may be offered below.
