

Edward Oscar Tosczak

It is with much sadness that we announce the passing of Edward Tosczak.

Born in 1926, Ed's early years were filled with the hard work of Saskatchewan and Albertan farm life. Ed studied business at St Joseph's college in Grande Prairie, Alberta, and by 1950 he had moved to Dawson Creek BC with his wife Henriette to start a family. Over the next 25 years, Edward worked in the automotive industry eventually owning and operating the Pontiac-Buick dealership Dawson Universal Sales Ltd., and was active in many aspects of community service. Edward retired from business life and together with Henriette, moved to Victoria in 1975. Ed enjoyed his involvement in various activities with the Victoria Edelweiss Club, but more importantly, Ed took great pride and pleasure in his family. He approached his role of provider seriously, ensuring his confidence and steadfast moral sense of right and wrong was imprinted on each one of us.

Predeceased by Henriette in 2013, Edward leaves behind daughters, Irene, Margaret, Sylvia, Lorraine and Carol; sons, Wilf and Frank and families.

A service with reception following to honour Ed's life will be held at McCall's Funeral Home, Johnson and Vancouver Streets, Victoria on Wednesday, January 6 at 12:30 p.m.
