

Elenore “Doreen” Wyers

Doreen passed away peacefully on August 31st, 2018 at the age of 88.

The family would like to extend our heartfelt appreciation to the loving and devoted staff of the Saanich Peninsula Extended Care Unit, for the many years of exceptional care they provided her.

She is now free of her life's, as well as her body's, burdens. May she rest peacefully as we remember her fondly.

In lieu of flowers, please consider a donation in Doreen's name to the SPCA <https://spca.bc.ca/locations/victoria/>, a cause she supported in life.
