

Elizabeth Anne “Betty” Campbell (nee Mulvihill)

Betty was born on November 20, 1942 in Montreal, PQ and passed at home in Victoria, BC on a beautiful spring morning, March 3, 2015 after a 40 year battle with ALS. She is survived by her devoted husband of 49 years, Terry and their children, daughter, Tracy (Dillon), son, Drew and Robyn (Nick). She will be dearly missed by her sister, Lorraine Welsford and brother-in-law, Duthie Welsford (Vancouver); her nephews, David Welsford and his wife, Julie Welsford and children, Aidan, Fraser and Fiona (North Carolina) and Michael Welsford and his wife, Cecilia and their son, Kyle (Vancouver). The loss will be felt deeply by Angela Stacey, our close family friend, (soul sister) and Betty's care giver for the past 10 years. We are so grateful to Angela for all she was to Mom. A Little Flower Academy Graduate, Betty went on to graduate from St. Paul's Nursing School and was most proud of her role as a nurse; she worked for several Lower Mainland Hospitals before becoming a full time wife and mother. Betty was diagnosed at an unusually young age with what was then a rare disease, ALS; she lived for 40 years with it, every passing year a new challenge, most aggressively this past year. Her sense of humour, her ingenuity and most powerfully, her faith were an inspiration for all who encountered her.

The Campbell Family would like to express their sincere thanks to Dr. Ty and Dr. Gheis for their genuine sense of care for both Betty and Terry and to the ALS Society of British Columbia for their many contributions to Betty's care over the years. We also send a heartfelt thank you to the teams from both VIHA and Hospice for all of their support throughout this last year.

A service will be held at Sacred Heart Church, 4040 Nelthrope Street, Victoria on Tuesday, March 10, 2015 at Noon

with a reception to follow at 1:00 pm in the adjacent hall. In lieu of flowers, we ask you to donate to a charity of choice or Shekinah Homes Society The Ark (formerly L'Arche), 3114 Irma Street, Victoria, BC V9A 1S8. Mom admired Jean Vanier and his work throughout her adult life.
