

Elsie Annie Wilson

WILSON, Elsie (nee Kruger)

2 April, 1949 January 10, 2008

Passed away with her children Les and Tami at her side. We have lost our wonderful Elsie; one of the very good ones. Elsie was predeceased by her mother Tilly, father Wilhelm, and sister Mary. Elsie was loved by so many people, particularly her son Les his wife Saori, her grandchildren Kai, Rei and Abi; her daughter Tami and her partner David. Elsie was survived by her siblings Emma, Walter and Rudy, nieces, nephews and other family members, especially Tom, Barb and their children Tana and Bradley, her dearest friend Joan, along with a host of friends, as well as the residents of St. Francis by the Sea. Elsie was there when needed, always supportive and helpful in times of calamity. Elsie was a rock and support for all who knew her. She was kind, loving, always thoughtful, always generous and hospitable. Elsie was a very talented craftswoman, whether it be sewing, knitting, or baking. Elsie's kindness touched so many people always a wonderful mother, grandmother, and friend, she will be sorely missed.

A service followed by a celebration of Elsie's life will be held at McCall Bros, 1400 Vancouver Street, on Sunday January 20, 2008 at 3:00 pm. In lieu of flowers donations may be made to St. Francis Manor Companion Society in memory of Elsie.
