

Eric Gordon Dowell

Dad passed away peacefully March 18, 2022 after a long and full life. He was the only child born to Alfred and Florence (Fullerton) Dowell, May 15, 1927 in Victoria, B.C. He was an active volunteer in the community throughout his lifetime. As a young man he had a keen interest in aeronautics, engineering and everything nautical. At an early age, dad joined his father and uncle in owning Dowell's Moving and Storage. He was a Rotarian for over 60 years, a sailor and was proud to have been the longest standing member of the Victoria Yacht Club from 1944 – 2021. His happiest days were spent at Shawnigan Lake at the family cottage or on the water on his sailboat, Shelca.

Sadly, dad was predeceased by his eldest son Brian, and is now survived by his son Greg, daughter in law Laura, daughter Ellen, son in law Rick, daughter Carolyn, and his loving grandchildren, Brock (Bridget), Brian (Erin), Graeme, Roy and Rebecca, and his great grandsons, Felix and Emmett.

Dad was kind and quirky, he was good to those close to him. We will miss him and will always be grateful for the joy he provided for his family at Shawnigan Lake for so many years. Rest in Peace dear dad.

There will be no service, at Dads request. We thank all those that have supported us through these past few months. Donations if desired, to Ukraine relief, BC Cancer or the charity of your choosing.

Condolences may be offered to the family below.
