

Eric Neil Scott

Passed away suddenly at home in Victoria BC on October 6, 2011 at the age of 90. Born in Saanich on January 7, 1921, he was predeceased by his wife of 30 years, Robin Scott (Telford) and wife, Sheila Scott (Cunningham) of 13 years. He is lovingly remembered by his sons, Brent and Gerry Scott, their wives, Elizabeth and Brenda respectively; daughter, Gwen McKay and husband, Cam; grandchildren, Brandon, Adam, Brendan and Angela Scott; stepsons, Dan Telford, his wife, Andrea and their children, Devon, Patrick Allison, Christine and Ken Telford, his wife, Adrian and their children, Lisa and Amanda and great-granddaughter, Lily. Eric farmed in Sangudo, Northern Alberta with his brother, Donald until moving to an acreage in Armstrong, BC and finally retiring in Mill Bay on Vancouver Island. His passion for guns and hunting was ever present and deftly displayed when at 85 years young, he shot a rat off his Mill Bay deck at 50 paces. Eric was a quiet, very honourable man and will be missed but, long remembered. Special thanks to all the staff at Somerset House.

Flowers/donations gratefully declined. Condolences may be offered to the family at www.mccallbros.com.
