

Erna Margrethe Hodgson (née Poulsen)

Surrounded by her loving sons, Erna Hodgson passed away at Victoria General Hospital on July 13, 2021 at the age of 89. Erna is survived by her brother, two sons, her daughter-in-law, her son-in-law, five grandchildren, and numerous loving nieces and nephews around the world. Erna was a loving, compassionate woman with many friends and relatives who will miss her joy of life. She came to Canada from Denmark in the late 50s and met and married her first husband. They were happily married for 20 years before his untimely passing. Erna was fortunate to marry another loving man and enjoyed 33 years of marriage with him before he passed.

Family and friends were always her joy whether for a quick visit or an extended vacation. She enjoyed a quiet day teaching her granddaughter to knit as much as a day organizing and hosting a dinner party for 50 people. She had a special love of bridge and was a long-time organizer for the Engineer's wives bridge club in Victoria. The symphony was another favourite, especially going with her best friend and the wonderful couple they met through 55+.

We would like to thank the many friends who have been so supportive and kind to Erna especially over the very difficult past 18 months. Her friends at Berwick did so much to support her during the lonely periods of COVID isolation. Thanks also to the caring staff at Berwick who were helping her over the past 2 years. Erna will be honoured in a private family Memorial service. In lieu of flowers donations to the Heart and Stroke Foundation would be appreciated.

Condolences may be offered to the family below.
