Evan Griffith Board

“You know that place between sleep and awake, the place where you can still remember dreaming? That’s where I will always love you. That’s where I will be waiting.” – Peter Pan

It is with a profound and absolute sadness that we announce Evan’s unexpected passing. Evan leaves behind his devoted mother, Liz Board; grandmother, Betty Board and father, Rick Vanderham. Also grieving his loss is a large extended family including Board’s, Pearmain’s and Vanderhams, as well as friends from all over the world.

Though Evan’s time with us here was cut far too short, he was able to touch so many lives. He will be remembered as an easy and loyal friend, a constant jokester, an animal lover, a chocolate milk enthusiast, a wanderer with a passion for travel and above all else a young man who loved his friends and family, especially his Mum and Grandma.

Evan’s family would like to sincerely thank the First Responders, Griff Jones, the Paramedics, as well as the Doctor’s and Nurses at the Royal Jubilee Trauma and Intensive Care Units, for their unfailing care and support through this terrible time.

A Celebration of Life will be held on Monday, January 7, 2019 at 2:00 pm in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, Victoria, BC V8Y 1B4. Anyone who loved Evan and wishes to say goodbye will be welcome.

In lieu of flowers, donations can be made to the Royal Jubilee Hospital Intensive Care Unit in Evan’s name.

Hug and Hold your family close.
