

Florinda Luigia Robb

Rinda Robb (1931-2016) was born in Vancouver, British Columbia, the only child of Gino and Bertha Durante.

Rinda is predeceased by her 2nd husband James Robb (2001) and immediately relocated to her home province of BC in 2002.

The next 14 years meeting new friends, playing bridge, enjoying jazz and her great grandchildren, 3 of whom grew up just down the street in Victoria. Rinda was a great support to all her kids and we will miss her very very much.

She is survived by her two children: Richard James Bisset of Singapore and Janet Lynne Bisset of Vancouver, British Columbia; her four grandchildren: Philip Bisset-Covaneiro (Carly), Benjamin James Bisset (Gillian), Markus Covaneiro (Danielle), Angela Louise Bisset and her four great-grandchildren: Taya, Alyssa, Malyna, Luca.

The family would like to thank Rinda's many friends and relatives for their kind sentiments, heart-felt actions, and warm encouragements over the past few weeks. We very much appreciate your thoughts. It is obvious that Rinda made a positive impression on everyone she spent time with.

"Loved and not forgotten."
