

Frank (Francis) Lee

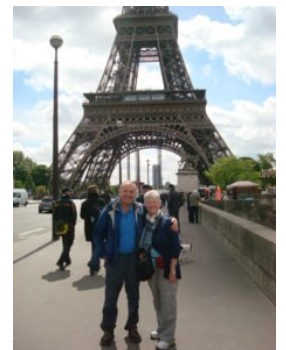

Passed away suddenly and peacefully at home in Victoria, having lived a full life. In fact, he was hours from traveling on the next adventure to some of his favourite haunts in the UK and Europe (especially Paris).

He is predeceased by his father Joe, mother Betty, brother Edward and his dog Sinchia. Survived by his devoted and loving wife Jane, daughter Vanessa (Will), daughter Jennifer (Jason), son Justin (Leila) and his grandchildren, Jayde, Kurtis and Sinclair, who he adored with all his heart. He will be sadly missed by his brother Richard (Jill) and many extended family in Victoria and the UK; in addition to his friends who are as fun loving as himself.

Frank was full of life, he had a positive impact on so many, he was cheeky, mischievous and loved having people in his home. He spent his career as a CPA, CGA and ran his accounting firm for many years, loving the community he built around him and his many clients, however he was always happy when April 30th rolled by and he could get away on his overseas adventures. You are no longer here Dad, but we hope you are smiling the biggest smile, free to explore the world even further on your bike with an ice cream, a bagel or a pastry in your hand! We will remember your Frank'ism's forever and will miss you oh so very much! We hope you can now "Take it Easy!"

In remembrance of Frank and other past Saanich Rotarians, tributes, if desired, may be made to Dana Henly at the Camosun College Foundation for the Rotary Club of Saanich Memorial
