

Frank S. Morgan

1942 – 2015

On October 25, 2015, Frank passed into the waiting arms of our Lord and His Blessed Mother.

Frank was born in St. Louis, Missouri, served in the U.S. Airforce, worked for Pan Am in Honolulu and was an Agent for London Life in Victoria.

Frank was predeceased by his parents, Charles and Margaret and his beloved in-laws, John and Sophie Blaszczyk.

Frank is survived by his loving wife, Lili and their beloved son, Lance.

Frank was a larger-than-life character. As the family would say, the party didn't start until Uncle Frank arrived. You could always depend on him to make you laugh and if you needed help, he was right there. He loved his in-laws, Chris and Bill, Johnny and Joanna, his favourite niece, Monique and nephew, Michael. He is also missed by his beloved pets, Scamper and Tigger.

A small family memorial Mass was held on November 3rd at the UVic Interfaith Chapel.

Condolences may be offered to the family below.
