

Glenn Douglas Medd

July 17, 1961 – June 2, 2012

It is with great sadness that we announce Glenn's passing on Saturday, June 2, 2012. Glenn was predeceased by his mother Helena in 1967. He will be lovingly remembered by his wife and best friend Natasha, precious son Gavril, father Ronald and step-mother Verna, in-laws Victor and Irina, brothers and sisters Maureen, Mark, Royce (Kelly), Tracy (Kevin), and nephews and nieces Nicole, Matthew, Ryan, Sydney, Erin, and Reid. Glenn will also be forever remembered by his numerous extended family and friends.

Glenn grew up in Edmonton and mastered his skills in air conditioning, refrigeration, and controls, earning the respect of his many colleagues in Edmonton, overseas, and Victoria. Glenn established himself as a formidable jazz musician who played many instruments; however, the saxophone remained his favorite. World travel was a passion of Glenn's, and this was reflected in his global mindset and extensive reading library.

Glenn's creative and industrious character was evident in many ways – from the chess set he carved from soapstone (acquired while working in our 'Great White North'), to his determination in building 170 stairs at his home in Cordova Bay to better enjoy the beach. Last but not least, Glenn's witty sense of humour will be very much missed.

A private memorial will be held for immediate family. Condolences may be offered to the family below.
