

Glenn Macaulay Fell

December 08, 1926 – April 09, 2013

Glenn passed away peacefully having lived a full life. Born and raised in Vancouver, BC, Glenn attended U.B.C. He worked several years as an assistant purser on the Prince George, one of the original passenger and cargo ships that navigated the waters between Vancouver and Alaska.

A young teacher, Eileen Dallas, travelling to Juneau Alaska, changed Glenn's sailing days forever, embarking them on 57 years of marriage. After a brief stint as a small business owner of a Bowling Lanes in Summerland BC, Glenn worked in several positions for municipal and federal governments throughout southern British Columbia before settling in the Greater Victoria Area. An enthusiastic golfer, Glenn was a member of the Prospect Lake Golf Club. He also enjoyed the many activities at Summergate community in Sidney, BC. In retirement, Glenn with Eileen enjoyed many golfing vacations with their friends. Glenn's family was his greatest source of love and pride. Kind and supportive to the end, he will be forever in our hearts. Glenn will be lovingly missed by his wife, Eileen; his sons, Ron (Diana) and Doug (Marilyn); his grandchildren, Dana, Aaron, Amanda and Graeme and his great-grandchildren, Roman, Alyssa and Andrew.

Glenn's family will be celebrating his life and would welcome his friends to join them on Saturday, April 27 from 1:30 to 4:00 pm at Summergate Community Center, 2045 Summergate Blvd in Sidney, BC. The family wish to thank Doctor Wray and all the caring staff at Saanich Peninsula Hospital. Donations would be appreciated to the Saanich Peninsula Hospital Foundation. Condolences may be offered to the family below.
