

Hans Gust

October 24, 1923 to August 26, 2010

It is with great sorrow that we announce the passing of our father on August 26, in Victoria. Hans left us peacefully, in the presence of his daughter and son-in-law, Christa and John Oxford. He was predeceased by his beloved wife, Christel and his only brother, Adolf. He is survived by his daughter and son-in-law, brothers-in-law, Kurt, George and John Herzberg and their wives, Loni, Flora and Mary, respectively, as well as, six nieces and many friends. Born in Pulverholz, Germany, Hans immigrated to Canada, together with his wife and daughter, in 1952. After twelve years in Regina, the family moved to Winnipeg, where Hans co-founded Auto Haus Fort Garry. In addition to establishing a successful business, Hans pursued an active outdoor life, enjoying fishing, sailing, water skiing, downhill skiing and golf. He was a member of Southwood Golf and Country Club in Winnipeg and Royal Colwood Golf and Country Club in Victoria. After retiring to Victoria, he spent many happy hours on the water fishing. Hans is remembered by his many friends in Canada, the United States and Germany for his quiet manner and the many kindnesses and helping hands he extended when they were needed most. He is deeply loved and missed. No formal service will be held. His ashes will be scattered at sea, as he requested. Anyone wishing to honor his memory is encouraged to make a donation to the Heart and Stroke Foundation. Condolences may be offered at www.mccallbros.com.
