

Harbhajan John Birk

Harbhajan John Birk – beloved and devoted husband, father, brother, uncle – and adored Nanaji – passed away on March 1, 2022 after a courageous battle with cancer. Surrounded by loved ones in his final days, hours and moments, it was a peaceful, beautiful and joyful experience, freeing him from the body that was experiencing such pain. Prayers, cremation and spreading of his ashes took place in Victoria, BC, Canada on March 3rd and 4th, attended by a small and close group of family. Our thanks to those who wished to be there but respected his expressed wishes for privacy and safety.

We would like to offer our gratitude for the comfort and gentle, discrete, attentive care offered by the extraordinary team in the Palliative Care unit at the Royal Jubilee Hospital, without whom the beauty of this experience would not have been possible. In lieu of flowers, please join us in showing our appreciation and support for the work of this amazing team:
