

Harold H. Stubbs

Harold H. Stubbs died peacefully at Royal Jubilee Hospital on October 16, 2016. He was predeceased by his wife, Joan in 2006; daughter, Leanne in 2014 and his parents many years ago. He is survived by his daughter, Janet (Steve); his son, David (Barb); son-in-law, Michael; grandchildren, Andrea (Bob), Laura, Nick (Robyn), Ryan, Daryl, Amanda, Jay; great-grandchildren, Alexander, Julia, Jordyn, Hannah and Nolan. He is also survived by Audrey (Jack), Cara, Kevin, Dawn and their families and many cousins.

Dad loved being a teacher and taught for 25 years until he retired. He loved his boat and fishing. Mom and Dad spent many happy years on wonderful trips with their amazing friends. Later in life, he became an Old English car owner, of a 1963 Rover and was part of that community for many years. As a family, we spent every Father's Day at the Car Show, picnic included. Dad loved his family very much and was proud of each and everyone of us. He is very loved and will be missed by all who knew him. He was the best dad and granddad we could have ever wished for.

A Celebration of Dad's life will be held in the Sequoia Centre at McCall Gardens, 4665 Falaise Drive, at 2:00 pm on Wednesday, October 26, 2016.

Condolences may be offered to the family below.
