

Harry James Wilson

Harry James Wilson, age 95 passed away on 16 January 2024 in his home in Victoria, BC. Born in Moose Jaw, SK and raised in Saskatoon, Harry met and married Elizabeth Pedley, the love of his life, in 1948. Together, they raised four children. Harry was full of joie de vivre, finding joy in activity: canoeing, camping, hunting, sailing, golf. And fulfillment in creativity; building (anything and everything he set his mind to), carpentry, metal bending, painting, and pottery. Athletic, talented, strong, creative, capable and playful; Harry leaves us with many vivid memories to cherish and share.

The family wishes to extend our heartfelt thanks to Doctors Ross and Tim McKay and the palliative care nurses for their compassionate care. In lieu of flowers we suggest donations to the Red Cross.

Harry was preceded in death by his beloved wife Elizabeth, his youngest daughter Kay (Kathryn Leslie) Lovett and eldest son Kip (Christopher James) Wilson. He is survived by his daughter Deborah (Larry Hildebrand) and son Scott (Rose) and grandchildren Katya and Nicholas.

Following cremation, a gathering by "invitation only" in remembrance of both Harry and Elizabeth will be held at Abkhazi Gardens, 1964 Fairfield Road, on Thursday, 25 January at 2:00 PM. Condolences may be offered to the family below.
