

Hazel Hewitson Gudewill (Carlton)

Our mum passed away on January 30, 2017. Loved and remembered by her daughters, Carolynn (Victor), Bea (Murray); grandchildren, Sara (Rob), Courtney (Matt), Garreth (Emily), Matt (Gina); her 7 great grandchildren (she was Geegee) and Ella, her dearest and devoted friend. Also, missing our mum will be our caring and loving caregivers Joy and Josie who enabled mum to stay at home.

We also wish to acknowledge Dr. Rosenberg and his team for their support and compassion and Estevan Pharmacy for their wonderful service over the years for both of our parents. Mum was predeceased by our dad Lloyd (5 years ago).

A private family service will be held later.

Instead of flowers, please consider a donation to "We Rage, We Weep" Alzheimer Foundation, 707 – 828 Rupert Terrace, Victoria, BC V8W 0A7 as Mum loved participating in the day program they provided.

Condolences may be offered to the family below.
