

Isabella Louise Marnell

Louise passed away peacefully on Wednesday, June 29, 2011 at the age of 98. She is predeceased by her husband, Victor and her son, Donald. Louise is survived by her loving family; sister, Lorna; daughter-in-law, Debbie; grandchildren, Dustin, (Christie) and Shannon and her nieces and nephews. Louise had a very interesting childhood. Born in Toronto, she spent the majority of her youth travelling throughout India as the daughter of a missionary Doctor. She returned to Canada at the age of twenty and received training as a Registered Nurse at the Royal Jubilee Hospital. It was during this time that she met her late husband, Victor and they were married in 1944. Shortly thereafter they established themselves in Victoria, both working at Victor's dental practice. Louise was kind, caring and generous. She loved hosting family dinners, taking photographs and she enjoyed many family camping trips over the years. She was a devoted grandmother and spent many hours watching her grandchildren at the ball park. The family would like to extend their gratitude for the care and compassion Louise received over the last few years of her life. A special thank you to all the staff at Marrion Village. Louise never passed on dessert, loved a good giggle and leaves behind a long legacy of love.

A family gathering to celebrate Louise's life will take place at a later date. Condolences may be offered to the family at www.mccallbros.com.
