

James Edwyn MacPherson

MacPherson, James Edwyn

August 10, 1944 – October 17, 2010

Survived by his wife Niki; his sons Craig, Kristopher, Brett, and Sean; his sisters Xandra, Esther, Glenda and Dawn; his brothers Don, Lee, Allen, Steve and John and numerous nieces and nephews.

An honest, hardworking, home loving, straight shooting man, Jim was born one century too late. He always said, "If you can't say it to my face, it's not worth repeating", but we will always say we will love you forever and always. You will be greatly missed.

Love,
Your family
