

James (Jim) Bruce McNern

It is with great sadness that we announce the passing of James (Jim) Bruce McNern, who died peacefully on September 20, 2018.

He will be eternally loved and missed by his wife, Lorraine, children: Janet, James, John and Roza, Sheryl and Duncan, and grandchildren: Jebecka, Rory, Noah, Timur and Tamiris, as well as his sister Clem, and many nieces and nephews.

We will always remember and cherish him for his thoughtfulness, love of art, flowers, math, subversive sense of humour, and his unique worldview. Most of all we will miss his great devotion and love of his family.

Condolences may be offered to the family below.
